Re: ***Ex Parte Presentation***
ET Docket No. 98-153

Dear Ms. Salas:

This is to note that on September 16, 1999, on behalf of Time Domain Corporation, Richard Wiley, Mary Jo Manning and I met with Dale Hatfield, Chief of the Office of Engineering and Technology, Julius Knapp, Chief of OET's Policy and Rules Division, Karen Rackley, Chief of the Technical Rules Branch, and John Reed, Senior Engineer in the Branch. We discussed the status of the current proceeding and the prospect of testing ultra-wideband devices in connection with a possible rule making on UWB operation.

Respectfully,

David E. Hilliard
